Notes

Big Broadcasting, Inc. is an equal opportunity employer. P/T position.

Requirements

Do you love shopping and want to couple that love with a program that helps people save money on the products that they want to buy? WBIG is looking for someone to host **The Big Radio Shopping Show**—“the most amazing show on the radio.” Ideal candidate will have strong communication and broadcast engineering skills. Working knowledge of standard analog and digital studio operations strongly encouraged. College degree in broadcast communications preferred but not required. Will train.

Responsibilities

Duties include but are not limited to: show prep., standard board operations, use of Microsoft Access, and ability to multi-task.
